Taranaki Review 2 is the second exhibition of artists residing in Taranaki selected for exhibition in the Govett-Brewster Art Gallery. This year's exhibition was selected from three hundred entries by Mr. Brian Muir, Director of the Robert McDougall Art Gallery, Christchurch. The selection of an exhibition from a large body of entries is a laborious task and I would like to thank Mr. Muir for his devoted time.

R. H. BALLARD,
Director.

Dimensions are given in inches. Price is marked in dollars.
